Invitation to be a Vendor
You Can Help Rebuild Lives

Every year, Continuum of Care helps more than 2,000 individuals go from hopelessness, homelessness, or destitution to living lives with hope, direction, and empowerment. Continuum’s mission is to enable people who are challenged with mental illness, intellectual disability, autism, and/or addiction to rebuild meaningful lives and thrive in the community.

Your participation helps to:

- Ensure access to the financial, housing, case management, and therapeutic support needed in order to live successfully at home versus being hospitalized, institutionalized, or homeless.

- Give Veterans dealing with PTSD and other issues the pathway and support to stabilize and recover.

- Offer a proven approach with viable outcomes for individuals who might have never had the chance to feel a sense of self-worth, personal pride, and social involvement.

- Give hope to families who have nowhere else to turn to help their loved one.
