

A Very Special Evening

I am writing to ask you to join us to help rebuilding lives by donating to our Auction.

Your donation will directly benefit someone struggling with a severe mental health crisis and/or chronic homelessness. In the past, supporters like you have helped us raise more than \$100,000.

On **Wednesday, May 22**, Continuum of Care will host a charity event at Anthony's Ocean View in New Haven. The evening will feature exquisite food, drinks, music, and inspiration. All net proceeds from the evening will go directly toward helping individuals struggling with a mental health crisis and/or chronic homelessness.

Your support creates foundations by helping us provide the housing, support, basic needs, and resources they need to finally go beyond their continuous struggle.

Your support goes directly toward enabling people to rebuild and transform their lives.

Our event will also be a celebration of Continuum's CEO, Patti Walker.

Patti Walker's 40+ year journey as the CEO of Continuum of Care has been nothing short of extraordinary, and as she retires, we believe her legacy deserves a celebration that echoes the transformative impact she has had on tens of thousands of lives. When Patti assumed the role of CEO for Continuum of Care, she faced the challenge of managing just one house, New Haven's first Halfway House, with just 13 clients in her charge. Today, under Patti's visionary leadership, Continuum has evolved into one of Connecticut's largest and most comprehensive residential and support services for individuals dealing with mental illness and intellectual disabilities. Continuum now annually helps more than 2,400 people rebuild their lives across 60 locations throughout the state.

May we count on your donation to the silent auction so that we can help some of the most vulnerable in our community? Your donation will give your business exposure. You will be listed in our evening program book and at the auction table. You'll also be listed in our newsletter. Most of all, you will positively impact individuals who often have nowhere else to go.

Enclosed is an addressed envelope and donation commitment form. Please contact me anytime at (203) 562-2264 or dcox@continuumct.org if you have questions.

Thank you for helping to rebuild lives.

Very truly yours,

Vice President, Development & Marketing
