Continuum of Care, Inc  
109 Legion Avenue  
New Haven, CT 06519

**If you: Are in recovery from a mental health/substance use problem.  
Like giving back. Want to work in the New Haven area.**

**Consider joining us!**

- 8 spaces available
- Meets 2 nights a week
- No college degree required
- 1 year continuous sobriety suggested
- 80-hour internship
- 8-week class

This internship will help prepare you for working in the mental health and addiction field, and will assist you in pursuing state certification as a Recovery Support Specialist (RSS).

You will get hands-on learning experience through placement at some of our group residences in the area.

**“Finally, I have learned it is possible to have a job, despite my mental illness!”**

- Charlie B., Recovery Support Specialist
